

VOICE OVER VERMONT

VOICES *for* TRAINING

CAPABILITIES STATEMENT

COMPANY OVERVIEW:

Voices for Training is a division of Voice Over Vermont, a woman-owned voice recording studio located in Shelburne, Vermont founded in 2009. We provide high quality narration and production services for educational and commercial projects for the Federal Government, National organizations and local businesses.

EXPERTISE:

Voices for Training can assist Government Agencies & Corporations in their mission to inform and educate by providing clear spoken audio for training or marketing materials.

We provide voices for:

- eLearning
- Interactive Software
- Training Materials
- Virtual Reality Applications
- On Hold Messaging
- Animation

Client Focused Project Work

- Top Quality Recordings
- Fast Turn Around on Projects
- Impeccable Communication by Phone/Text/Email
- Files delivered in mp3, wav or aiff formats

Core Values: Inform, Educate, Engage

DIFFERENTIATORS:

The most important factors in voiceover work are reliability, availability and diversity. Voice Over Vermont/Voices for Training has built a reputation on these core attributes and will always get your project done on budget and on time.

- We have proven past performance history and approach each project with the curiosity and creativity needed to deliver engaging narration to train departments both large and small
- Professional Member: World Voices Organization, ELearning Guild, Women Business Owners' Network, Business Network International
- We love learning - and you can hear that love in every project we voice.
