

VOICE OVER VERMONT

CAPABILITIES STATEMENT

COMPANY OVERVIEW:

Voice Over Vermont is a woman-owned voice recording studio located in Shelburne, Vermont founded in 2009. We provide high quality narration and production services for educational and commercial projects for the Federal Government, National organizations and local businesses.

CORE COMPETENCIES:

Voice Over Vermont assists Government Agencies and Corporations in their mission to inform and educate by providing clear spoken audio for training or marketing materials.

We provide:

- Voice Over recording, production, editing and delivery
- Narration for audio/visual projects
- Spoken audio for interactive software, corporate training materials, film, web and radio and everything eLearning
- Diverse voices for a diverse population
- Client Focused Project Work
- Top Quality Recordings
- Fast Turn Around on Projects
- Impeccable Communication
- Available by Phone/Text/Email

DIFFERENTIATORS:

The most important factors in voiceover work are reliability, availability and variety. Voice Over Vermont has built a reputation on these core attributes and will always get your project done on budget and on time.

- Professional Member: World Voices Organization, ELearning Guild, Women Business Owners' Network, Business Network International (Current Chapter President)
- On-site custom professional studio equipped with ProTools and Izotope for recording, editing and mp3, wav or aiff formats
- Clear, warm and reliable – Easy to understand and easy to work with.
