

# VOICE OVER VERMONT

## VOICES *for* TRAINING

### CAPABILITIES STATEMENT

#### COMPANY OVERVIEW:

Voices for Training is a division of Voice Over Vermont, a woman-owned voice recording studio located in Shelburne, Vermont founded in 2009. We provide high quality narration and production services for educational and commercial projects for the Federal Government, National organizations and local businesses.

#### CORE COMPETENCIES:

Voices for Training assists Government Agencies in their mission to inform and educate by providing clear spoken audio for training or marketing materials.

##### We provide voices for:

- eLearning
- Interactive Software
- Training Materials
- Virtual Reality Applications

#### CORE VALUES: Inform, Educate, Engage

#### DIFFERENTIATORS:

The most important factors in voiceover work are reliability, availability and variety. Voice Over Vermont/Voices for Training has built a reputation on these core attributes and will always get your project done on budget and on time.

- Professional Member: World Voices Organization, ELearning Guild, Women Business Owners' Network, Business Network International
- We love learning – and you can hear that love in every project we voice
